

# News from the Little Green Thumbs HUB

- **Stay tuned for launch of our new website!** We are currently developing a new online home for Little Green Thumbs at [www.littlegreenthumbs.org](http://www.littlegreenthumbs.org), which will include regular program updates and teacher resources. Launch in 2018!
- **Little Green Thumbs has a new face!** Everyday we hear about the magic, engagement and curiosity that LGT inspires. We want to reflect that inspiration, so we got a new look (but we're still all thumbs of course!)
- **New Little Green Thumbs resources are in development.** Our teachers know best! We've been picking the brains of our LGT teachers and collaborating on brand new Little Green Thumbs resources to be released in 2018.
- **Our promise, your adventure!** Little Green Thumbs coordinators from across Canada met summer to discuss how we can continue to improve our program. From new seed varieties to garden kit improvements and resources, we're working to improve your garden adventure!

Our LGT community across Canada is growing! Our national numbers from the 2016/2017 school year:
