

RED BRICK ARTS CONNECTION

Welcome to the newest Multicultural Heritage Centre program designed to support all artists including visual artists, musicians, poets, writers, performers, and their allies and patrons. This spirit and intention of this program is to help creatives connect with each other and their audience by providing spaces, opportunities to connect, and programming while reducing the cost barrier as much as possible.

Members will be provided with opportunities to enjoy programming, display and sell their art, set up performance events, deliver programs, and more.

An annual Membership fee of \$25 will be collected and used towards marketing Red Brick Arts Connection events and programs etc. If you are unable to pay the membership we invite you to work 1 Bingo in support of the Multicultural Heritage Centre in exchange of the RBAC Membership fee.
